TOTAL BID ITEMS 1 THRU 45 (in figures) \$ _____

Total amount of Bid Items 1 thru 45 is (in words) _____

Dollars and _____ cents.

IN CASE OF DISCREPANCY BETWEEN WORDS AND FIGURES, THE WORDS SHALL PREVAIL

The bidder shall set forth for each item of work, in clearly legible figures, an item price and a total for the item in the respective spaces provided for this purpose. In the case of unit basis items, the amount set forth under the "Total" column shall be the extension of the item price bid on the basis of the estimated quantity for the item. In case of discrepancy between the item price and the total set forth for the item, the item price shall prevail, provided, however, if the amount set forth as an item price is ambiguous, unintelligible or uncertain for any cause, or is omitted, the amount set forth in the "Total" column for the item shall prevail in accordance with the following.

1. As to lump sum items, the amount set forth in the "Total" column shall be the item price.
2. As to unit basis items, the amount set forth in the "Total" column shall be divided by the estimated quantity for the item and the price obtained shall be the item price.

If this proposal shall be accepted and the undersigned shall fail to contract, as foresaid, and to give the two bonds in the sums to be determined as foresaid, with surety satisfactory to the Owner, within eight (8) days not including Saturdays, Sundays and legal holidays, after the bidder has received notice of award of the contract, the Owner, at its option, may determine that the bidder has abandoned the contract, and thereupon this proposal and the acceptance thereof shall be null and void, and the forfeiture of such security accompanying this proposal shall operate and the same shall be the property of the Owner.

A certified or cashier's check made payable to the City or a bid bond in favor of said City for _____ (\$ _____)

, which amount is not less than 10 percent (10%) of the total amount of this proposal, is attached hereto and is given as a guarantee that the undersigned will execute a Contract and furnish the required bonds if awarded the contract and in case of failure to do so within ten days from notice of award the same will be forfeited to the City.

Superseded General Decision Number: CA20170032

State: California

Construction Types: Heavy (Heavy and Dredging) and Highway

County: Tulare County in California.

DREDGING (excluding self-propelled hopper dredge work), HEAVY (excluding water well drilling), AND HIGHWAY CONSTRUCTION PROJECTS

Note: Under Executive Order (EO) 13658, an hourly minimum wage of \$10.35 for calendar year 2018 applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2015. If this contract is covered by the EO, the contractor must pay all workers in any classification listed on this wage determination at least \$10.35 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in calendar year 2018. The EO minimum wage rate will be adjusted annually. Please note that this EO applies to the above-mentioned types of contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but it does not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(2)-(60). Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

=====
Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "identifiers" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than "SU" or "UAVG" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the "SU" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of

each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

ADDENDUM NUMBER THREE

RESPONSE TO REQUESTS FOR INFORMATION (RFI):

QUESTION NO. 1 –

QUESTION: 27” RCP and 21” RCP are not made for storm drain use anymore. Can contractor use 30” and 24” to replace the discontinued pipe sizes?

RESPONSE: Yes, contractor may use 24” and 30” instead.

QUESTION NO. 2 –

QUESTION: The plans are not clear on what existing fitting configurations are at tie-in points for 8” water at Station 10+07.57 and Station 23+22.02. Can you furnish details for tie-in locations?

RESPONSE: Station 10+07.57: Install 1-12”x12”x8” tee and 1-8” gate valve, tie in to existing 12” main. See attached exhibit.
Station 23+22.02: Remove existing 90° elbow and install 1-6”x8”x8” tee, tie in to existing 8” main.

QUESTION NO. 3 –

QUESTION: Bid item 36 is to relocate fire hydrants. Is City furnishing hydrants and valves? Item shows 4, I find 3.

RESPONSE: 4 new fire hydrants are to be installed along Randle Avenue located at the intersections of Sierra Way, Meadow Lane (future), Terrace Drive, and Mountain View Way. Bid Item 36 should read “Furnish & Install City Standard Fire Hydrant.” Contractor to furnish and install hydrant assembly per City Standard Detail W-5.

QUESTION NO. 4 –

QUESTION: What depth and diameter of existing well to be abandoned? Sheet 3, note 15.

RESPONSE: Well depth and diameter are unknown. Contractor to verify. For bidding purposes, assume a 12” diameter and 150-foot depth. A bid item will be added for this work. Contractors to use attached revised bid form.

QUESTION NO. 5 –

QUESTION: Demo plans show relocation and removal of items by PG&E. Can you furnish a schedule of PG&E work?

RESPONSE: PG&E most recently estimated 4 weeks of construction schedule ending August 10, 2018.

QUESTION NO. 6 –

QUESTION: Section 02120 – Handling of Potentially Contaminated Soil does not clarify area of contamination. There is no bid item for contractor to perform investigation. How will investigation and mitigation get paid for contamination & exploration?

RESPONSE: Section 02120 is to be removed.

QUESTION NO. 7 –

QUESTION: What is included in City encroachment fee of \$49,900.00? Who is paying Rule 16 PG&E fee? If contractor, how much are the fees? Is City business license required?

RESPONSE: The \$49,900.00 covers the City encroachment fee and will be reimbursed on first progress payment. The Rule 16 PG&E fee will be paid by the City. Yes, a City business license is required prior to starting any work.

QUESTION NO. 8 –

QUESTION: Who will pay for material & compaction testing?

RESPONSE:

From Section 5.03 – Samples and Tests:

Unless provided otherwise in these Specifications or in the Special Provisions, the cost of original testing shall be borne by the City for work performed under contract for the City. Any retesting required because of failure of materials to pass the initial test shall be done at the expense of the Contractor. All other tests required for work not under contract with the City, and located in City streets and alleys, or on private property, shall be borne by the Contractor or permittee.

QUESTION NO. 9 –

QUESTION: The typical roadway cross sections on plan sheet 15 of 19 appear to show the aggregate base rock extending beneath the curb and gutter. This would mean that there is 3.5” of AB required beneath the curb and gutter (AC/AB section is 3”AC/8”AB = 11” – Gutter Pan 7.5” = 3.5” AB). Is this correct?

RESPONSE: That is correct.

QUESTION NO. 10 –

QUESTION: Does curb and gutter at the handicap ramps get paid as handicap ramp or curb and gutter?

RESPONSE: Curb and gutter.

QUESTION NO. 11 –

QUESTION: Does curb and gutter at the drive approaches get paid as drive approach or curb and gutter?

RESPONSE: Curb and gutter.

QUESTION NO. 12 –

QUESTION: Does curb and gutter at the alley approach get paid as alley approach or curb and gutter?

RESPONSE: Curb and gutter.

QUESTION NO. 13 –

QUESTION: There are two existing sheds to be relocated. The sheds are not visible from outside the property limits. Do these sheds have concrete slabs that will need to be demolished and reconstructed? Are these sheds in good enough shape to relocate, or should the bidders figure to purchase new sheds for the home owner?

RESPONSE: Whether there is a concrete slab is unknown. If there is a slab, contractor is to remove it and reconstruct to match in-kind with relocation of shed. The sheds are to be relocated.

QUESTION NO. 14 –

QUESTION: The proposed design does not provide crown grades. Please clarify.

RESPONSE: New pavement should be graded at 2% from the high side of curb and gutter unless otherwise indicated. Crown grades will be shown on final signed plans.

QUESTION NO. 15 –

QUESTION: Please confirm the pipe material for the sanitary sewer.

RESPONSE: DR35 should be used for the 18” sanitary sewer in Randle Avenue. Bid item 23 should read 1,320 L.F. Furnish & Install 18” Sanitary Sewer Main (DR35).

QUESTION NO. 16 –

QUESTION: Please confirm the quantity of Bid Item 12 - Construct Caltrans Case “C” Curb Ramp.

RESPONSE: There will be two Case “C” curb ramps constructed at E Park Way. Bid Item 12 should read 2 EA.

QUESTION NO. 17 –

QUESTION: Is there a “Buy America” requirement?

RESPONSE: Response. No. CDBG does not have a “Buy America” requirement.
