I understand the risks involved by participating in the activity of the Electric Christmas Parade for which I/we hereby waive, release and discharge all claims for damages for personal injury, death, or property damage which I may have, or which may hereafter accrue to me, as a result of participation in said activity. This release is intended to discharge in advance the City of Dinuba (its officers, and/or officials, employees, volunteers and agents) from all liability arising out of or connected in any way with my participation in said activity, even though that liability may arise out of negligence or carelessness on the part of the persons or entities mentioned above. It is understood that this activity of the Electric Christmas Parade involves an element of risk and danger of accidents and knowing those risks I hereby assume those risks. It is further agreed that this waiver, release and assumption of risk is to be binding on my heirs and assigns. I agree to indemnify and to hold the City of Dinuba (its officers, and/or officials, employees, volunteers and agents) free and harmless from any loss, liability, damage, cost, or expense which they may incur as the result of my death or injury or property damage that I may sustain while participating in said activity.

COVID-19: We are taking enhanced health and safety measures-for you and our other participants. You must follow all posted instructions. An inherent risk of exposure to COVID-19 exists in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death. According to the Centers for Disease Control Prevention, senior citizens and individuals with underlying medical conditions are especially vulnerable. By participating, you voluntarily assume all risks related to exposure to COVID-19.

Should I, the participating applicant, be exposed to or encounter someone who has tested positive for COVID-19 after one week of participating in the Electric Christmas parade (Saturday December 5th - Saturday December 12th), I will contact the City of Dinuba Events Coordinator immediately.
