DEFINITION OF TERMS:

Consent Calendar: Items listed under the Consent Calendar are those items staff believes will not require Council discussion and are routine in content.

Action Item: No action or discussion shall be taken on any item not appearing on the posted Agenda, except that Council members may briefly respond to statements made or questions posed by persons exercising their public testimony rights under the Public Forum.

Informational Item: an item of the agenda consisting only of an informational report that does not require or permit Council action.

UNSCHEDULED ITEMS:

The public wishing to address the City Council should approach the podium and state their name, address and the nature of their request. The Council values your input. Please be advised that the Mayor may limit comments to 3 minutes per speaker. This time is reserved to accept comments from the public on Consent Agenda items, Closed Session items, or items within the subject matter jurisdiction of the City Council not otherwise scheduled on this agenda. Direction to staff may be given; however, State law does not allow action to be taken by the Council on matters not on the printed agenda at this meeting. The law requires that notice be given to the public at large to allow for full disclosure and discussion and decisions on important public issues. To have City Council discussions and decisions on unnoticed items would prevent the type of public input necessary to make governmental decisions.
